### **A Quality Summer Program for Children Aged 18 months through 6 years**

Plymouth-Canton Montessori School has been offering exceptional programs for the past 48 years. Come join us for a summer experience that is nurturing, creative, intellectually stimulating, and lots of fun!

**Summer Day Camps  
June 21-August 20, 2021**

**June 21 - August 20**

## Toddler Summer Day Camp

Children in the toddler room enjoy a smooth transition into the summer program as their environment and the routine of their day remain the same. Added to the curriculum are many enriching and fun outdoor activities. Toddler camp is available to children 18 months through 3 years of age who are already enrolled, and those enrolled for the 2021-2022 school year.

## Themed Summer Day Camp Preschool/Kindergarten

The program includes a broad range of activities designed to meet the developmental needs of young children. Each day brings a balanced blend of learning and play, active and quiet, group and individual experiences. Our creative teachers have dreamed up many interesting and entertaining activities for the children.

Each week of the summer has its own theme! (See the accompanying page for details.) Children will participate in theme-related projects, lots of arts and crafts, science experiments, dramatic play, picnics, outdoor time, music, stories, and games. Water is an important ingredient in the summer program; when it gets hot, we go outdoors and get wet! Children between the ages of 3 and 6 are eligible for enrollment. Toilet training is required.

## Enrollment

To enroll, fill out both sides of the application form, and send or deliver it to the school, along with a \$30 registration fee. Acceptance is on a first-come, first-served basis. Each child will be enrolled according to the preferences indicated on the form as long as space remains. If a particular session is full, we will call you to discuss alternatives.

## Staff

PCMS's professional staff of experienced early childhood educators will lead the program. They are intelligent and nurturing people who bring a wealth of knowledge, energy, and enthusiasm to share with this year's campers.

**August 16-20**

## Montessori Matters

(For first time fall enrollment *only*)

A great head start for the school year, this introduction to basic materials and routines smooths the way for children who will begin Montessori classes for the first time in September.

**9-10:30 a.m.**

**Course Fee: \$100**

*Extended hours are available only to children attending themed day camp.*

## Times

Full and half-day programs are available for the nine weeks of the summer session. Day camp meets from 8:45-11:45 a.m., Monday through Friday. **Children must be enrolled in day camp for a minimum of three weeks.**

Extended hours are available as needed for day campers. The building opens at 8 a.m. and closes at 5 p.m.

## Procedural Matters

**Clothing:** Clothing should be comfortable, practical, and suitable for active play. (Our building is air conditioned, but children do go outdoors daily.) A swimsuit and towel should be sent to school with each child.

All campers will receive a PCMS T-shirt. Be sure to indicate size on the registration form.

**Meals and Snacks:** Children who stay through the noon hour must bring a lunch with beverage. The school will provide morning and afternoon snacks.

**Nap:** An afternoon rest or nap period is available for full-day campers. Children who nap should bring bedding (small blanket, sheet, and pillow).

**Health:** A health form signed by a physician and showing current immunizations is required for all children. Blank forms are available from the office. Up-to-date health forms from the current school year may be used in the summer.

**Child Information Page:** This page, which provides emergency information, must be filled out by parents on or before the first day of camp. Children will be released *only* to people whose names appear on the information page, so we must be notified if there are changes.

## Fees

A \$30 non-refundable registration fee is required at the time of enrollment. Charges for the camp sessions are as follows:

- **Half day** (3-hour session):  
Toddler \$165/week  
Preschool/Kindergarten \$145/week

Preschool/Kindergarten \$260/week
- **Extended hours** (hourly charge for children who need to be at camp more than 3 hours, but who are not attending for the full day):
