| **Week 1 – June 17-21**      | **Camping in the Great Outdoors**  
We'll use our Montessori backyard to have a nature scavenger hunt. We'll learn how to pitch a tent with the help of a visiting Eagle Scout. |
| **Week 2 – June 24-28**      | **Dinosaur Discoveries**  
Be a paleontologist this week as you learn how dinosaurs lived and became extinct. Dig for bones and bake up some fossils. |
| **Week 3 – July 1-3**        | **Hooray for the U.S.A.**  
A three-day celebration is in store as we honor our country’s birthday with red, white and blue projects, a bike parade, and patriotic songs. |
| **Week 4 – July 8-12**       | **Sports for Every Season**  
High Velocity Sports will present a program of creative and fun outdoor activities including parachute play and motor skill development. |
| **Week 5 – July 15-19**      | **Artful Antics**  
It’s a week of creative fun! Artist Beth McGinnis will encourage the love of design through the exploration of shape, color and texture. |
| **Week 6 – July 22-26**      | **Kids on Stage**  
Children are natural actors! Patsy Girnys, director of the Shoe-String Theatre Co., will guide the children in putting together a play, from scenery to stage! Presentation to parents on Friday. |
| **Week 7 – July 29-August 2**| **Our Great United States**  
Each of our states is unique. Discover some fun state facts and learn about our Native American beginnings. Reg Pettibone presents Native American Dance & Culture. |
| **Week 8 – August 5-9**      | **You've Got a Friend in Me!**  
We'll talk about our friends and how to be kind. What are good manners? Sing some friendship songs with Beverly Meyer, the Music Lady. |
| **Week 9 – August 12-16**    | **Barnyard Palooza**  
Who lives in the barnyard? We'll talk about farms and close the summer with a visit to Maybury Farm, where we will visit the barn and go for a hayride. |
| **Week of August 12-16**     | **Montessori Matters**  
An introductory class for first-time preschool Montessori students. |
